## Environmental Maccabi: Blue Team Wins

The Environmental Maccabi tree was filled with colorful blue and yellow leaves, making for a much greener world. Although it was close, the Blue team brought in more leaves this year, and will be recognized by Federation's planting of trees in Israel in their honor. Although every student's participation was valuable and important to our effort, three of Temple Israel's participants completed seven or more of the environmental tasks, an outstanding achievement. They are: Landon Stillitano, Jake Kwiatkowski and Alana Stillitano.
