## Kristallnacht

Sunday evening at 7 p.m. Temple Israel is putting on a special memorial program for the 70th anniversary of Kristallnacht. The program should last approximately 2 hours. There will be speakers from the community as well as Rabbi Ezring. We will be showing a documentary filmed here in Charlotte of our own survivors and liberators. This program is appropriate for kids 10 and up and although not mandatory, we strongly encourage you and your children to attend.
